The 3rd Annual St. Moritz Cup looks to build on the overwhelmingly successful first two Cups. Teams from Canada, Germany, Sweden, Finland and Switzerland enjoyed a very competitive tournament with great sportsmanship and comradery. The setting of the outdoor rink next to the lake with views of the mountains at every turn was spectacular.

The 2021 Cup will include 5 teams in each division. Teams will play a round robin format with 4 games. The top 2 teams in each division will play for the tournament championship.
